

## Hose Coupling

### Description

US Fire Pump has your covered with our large selection of Hose Couplings and Coupling Adapters! Available in most common sizes, our wide selection is ready and available!

Our Hose Couplings come in 8" and 12" and are ideal for large diameter hoses. Easily assemble/ disassemble in the field without the need for special tools if damage occurs. Heavy duty Cast Aluminum is Hard Coat anodized and ready to withstand harsh conditions. Holes for Storz Bars and Lugs for Spanner Wrenches make connecting/ disconnecting much easier! Couplings free spin to allow for easy alignment of lugs when connecting. Red witness marks aid in showing proper connection.

Also available are our Coupling Adapters, offered in numerous sizes and configurations! From 12" ANSI Flange x 12" Storz to 5" Storz x 4.5" NH, and many more, we have an adapter for most situations! Reach out to [info@usfirepump.com](mailto:info@usfirepump.com) for more information regarding Hose Coupling and Adapters
